

## **Daily Activities with the Elderly**

**What?** Help with daily activities for the elderly such as board games, card games, arts & crafts, word searches, movie nights, horseshoes, coke floats...etc. As a volunteer you can participate and lead what the Meaningful Pursuits Coordinator has scheduled or you can create your own ideas (must be submitted first) to put into action.

**When?** Activities take place every day at 10am, 2-4pm, 6-7pm. Feel free to come anytime during those allotted hours.

**Where?** Chisholm House  
1450 EN 10<sup>th</sup> Street  
Abilene, TX 79601

**Why?** The elderly like to have contact with the outside world and with your presence it helps them feel as if they are getting out. Also, they like to meet new people and see new faces.
