Golden Reunion Memory Book Instructions

1. Type or write in black ink only.
2. Print your full name in the box in the upper left-hand corner of your page.
3. Remember, your page will appear in the directory exactly as you send it to us. One-sided only, please! Add a second page, with your name at the top, for overflow information.
4. Glue or tape a current photo in the large box in the upper right-hand corner. The photo needs to be the same size or smaller than the box.

Helpful hints:

DOs

- Use high contrast black & white or color photos (300dpi).
- Use double-stick tape or glue stick.
- Attach your photo securely to the page so it doesn't fall off or email it to alumni@hsutx.edu with your "last name, first name" in the subject line.

DO NOTs

- Do not use photocopied photos (they do not reproduce well).
- Do not staple your photo or use tape on the front of your photo.

5. If you're still hesitant, pick up the phone and call the HSU Alumni Office at (325) 670-1317!
6. Return your memory book page and photo to the Alumni Office by Friday, March 24, 2023.
