PHOTOGRAPH REPRODUCTION POLICIES

- Materials to be duplicated photographically are sent to the Richardson Library Educational Technology Services for reproduction. The usual turnaround time for orders is 15 working days from the time the materials are delivered to ETS. Larger orders will require extra processing time. Patrons will be notified by a staff member when their order is ready to be picked up.

- Patrons must complete the “Photograph Use Agreement” form before the order is sent for processing.

- Photographs from the Research Center may be released for use only by approval of the Research Center Supervisor, Dixie Hoover, or, the Dean of University Libraries, Alice W. Specht.

- The patron assumes full responsibility for conforming to copyright laws. The use agreement is for a “one-time use only” for educational, non-profit purposes.

- Photographs cannot be used on websites with the exception of HSU materials for a non-commercial or personal website.

- Photographs are not to be altered or reproduced and must be credited for publication, public use, or exhibition.

- Digital reproduction created only for objects in photograph collections or materials for which Hardin-Simmons University owns intellectual property rights.

- A $5.00 charge will be added to the price of each photograph when a digital image does not exist and a scan must be created.

- Prepayment required for order totaling more than $50.00. All photo reproduction costs must be paid before materials are released.

- Texas state tax (8.25%) is added to each order.

- Postage/shipping costs will be added to mailed orders.
