

I, \_\_\_\_\_, intend to receive Ministerial Financial Assistance from the Baptist General Convention of Texas during my undergraduate theological education. I affirm the following:

- At this time I sense a calling to a career in vocational ministry. If that sense of calling changes, I promise to notify the Ministry Guidance Office. I understand that the money I receive as Ministerial Financial Assistance from the BGCT comes from offerings given across our state and I desire to respect the intent of those sacrificial gifts.
- I understand that to continue receiving Ministerial Financial Assistance from the Baptist General Convention of Texas I will need to:
  - Maintain a GPA of at least 2.0 while having a major or minor in Logsdon School of Theology
  - Continue active membership and involvement in a local church, specifically one affiliated with the BGCT after my first year
  - Submit the appropriate forms to the Ministry Guidance Office once a year as prescribed by the BGCT
  - Participate in Logsdon School of Theology's Ministry Guidance Program which includes
    - Taking MNST 3311 Ministry Formations and MNST 3322 Ministry Internship
    - Attending Ministry Guidance meetings twice a semester
    - Meeting with the Director of Ministry Guidance at least once per academic year including an exit interview during my final semester
