ARTICULATION AGREEMENT

Hardin-Simmons University proposes to admit and accept in full the academic coursework from Collin County Community College toward the bachelor degrees as outlined in the following. This proposal is designed to clarify and encourage students as they plan to transfer semester credit hours from Collin County Community College to Hardin-Simmons University in a seamless transition towards the completion of a degree. HSU will post on its website the articulated planning guide presented here and will work with Collin College to provide reverse transfer arrangements for any students transferring prior to earning a degree.

The following general policies apply to work being transferred to Hardin-Simmons University:

- A. Up to 66 hours of course work from a two-year institution (i.e. Collin County Community College) may be accepted in transfer to Hardin-Simmons University.
- B. Final acceptance of all transfer work is subject to the Registrar, who is the articulation officer for the university.
- C. An official copy of all transcripts must be submitted to HSU.
- D. Hardin-Simmons University does not grant credit for experiential learning or professional certificates.
- E. Freshman and sophomore-level courses will not transfer as upper-division credit.
- F. Freshman and sophomore-level courses may not substitute for upper-division courses unless approved by the head of the department of the area in which the course is offered or by the appropriate dean.
- G. Courses with grades lower than a C will not be accepted in transfer. However, at the time of admission, a student may petition to transfer no more than two courses with grades of D, providing the resulting overall transfer GPA is 2.0 or higher.
- H. An Evaluation Form, which indicates the transfer status of all courses attempted, will be provided to the applicant usually within three weeks after the receipt of all official transcripts.

Note: Only students enrolled in a high-school dual-credit program may be enrolled concurrently at Collin County Community College and Hardin-Simmons University. Upon high school graduation, students may no longer be enrolled concurrently at another institution while enrolled at Hardin-Simmons University.
