A Discovery of America's Natural Wonders

Dear Hardin-Simmons Alumni and Friends,

Join the Traveling Range Riders on a journey to the exceptional national parks and monuments of the Southwest. Travel to Grand Canyon National Park for awe-inspiring views from the park's rim. Admire the beauty of light striking Antelope Canyon's narrow sandstone walls. Share a peaceful evening with Navajo storytellers, and ponder cultures past and present at a petroglyph site during a river raft ride down Glen Canyon.

Continue to Utah where you'll spend enjoyable time at Bryce Canyon and Zion National Parks—viewing rock formations and otherworldly landscapes that must be seen to be believed.

With the guidance of an expert Orbridge Expedition Leader and the comforts of a private motor coach, there is no better way to visit our national parks.

PLUS: Kick off your adventure in the Southwest by joining the optional pre-tour, Denver to Moab aboard the *Rocky Mountaineer*. Enjoy nature's wondrous scenery in comfort and style during two days of rail travel in premium SilverLeaf class. After arriving in Moab, delight in guided touring at Arches National Park and Canyonlands National Park for two additional areas to explore.

Space is limited. With significant savings of more than \$1,000 per couple (\$500 per single), we anticipate this exceptional tour will fill quickly, so be certain to secure your spot quickly and share this brochure with family and friends who may be interested in traveling with you.

Reserve today online at hsutx.orbridge.com, by phone at 866-639-0079, by returning the enclosed reservation form, or by contacting me directly.

What Guests Are Saying...

Orbridge provides a good product. This is our second trip. The biggest asset is the quality of the Travel Director and the Expedition Leader they provide. Attention to the traveler is high on their list of what matters. We will travel with Orbridge again.

~Marie & Geoff O., Valley Stream, NY

Our Expedition Leader's knowledge and dedication to detail enhanced the experience. His wisdom and knowledge of geography, flora, fauna, and locations made this trip nearly ideal. Equally impressive were the dealings with Orbridge throughout the build-up to the trip and the excellent material provided to assist with our own personal planning and enjoyment.
