Tuition/Fees: Includes estimated tuition & all University mandated & Program required fees

Books/Supplies: costs provided by the College that may include items such as textbooks, exams & board fees, association membership dues, or other out of pocket expenses that are required OR recommended the department

Living Expenses: using a \$1,500 monthly estimate of rent expenses for the average living expenses you may incur with an additional \$1500/month for additional expenses such as utilities, transportation expenses, food, health insurance, & personal expenses. During the clinical year, an additional \$1500/month is included to adjust for additional housing expenses incurred by the student when traveling to clinical rotation sites.
